YORKIE INU - BSC

Welcome to YORKIE INU ♡ TOKEN 2023

Yorkie is Sir ElonMusk's beloved pet, he has kept him for 15 years. and had a post on his twitter page. Because of his admiration we created the \$YORKIE coin. Let everyone take hold and drive growth together.

#YORKIEGPT is a smart Chat application, Currently the application runs on a WEB browser. you can communicate with ten intelligent animals, each of which has been trained by AI to understand a specific subject.
